**DECLARATION OF LISA M. PARKER, D.D.S.**

I, Lisa Parker, declare as follows:

1. I am an inventor of the above-referenced patent application.
2. In June of 2001, I attended a trade show in Chicago at which I obtained a brochure for Airway Management Incorporated's Vent and Saliva Shield, which brochure is attached hereto as Exhibit A.
3. I have no knowledge as to whether or not this brochure was available prior to June, 2001, or whether the device described in the brochure was offered for sale prior to June, 2001. I have no reason to believe that it was.
4. Prior to filing the Information Disclosure Statement, I contacted Airway Management Incorporated and inquired as to the date the brochure and product were first distributed, but was unable to obtain an answer.
5. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both under Section 1001 of title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application and any issued patent resulting therefrom.
